MOHANNAD HAJ OTHMAN

INTERIOR DESIGNER

Since 2013 I have been start working in the interior design field during my university study, whereas I worked on university projects for students.

During my experience in interior design field I gained an experience in dealing with clients according to their tests. Also I gained an experience in demands of the market, materials, raw materials and coordinate colors with the environment surrounding the design.

I desire reaching to the best place and put my fingerprint in this field.
